JANUARY 2026

It's hard to believe that 2026 is already here! Several changes are on the horizon such as Board of Director vacancies, new Committee Members, as well as updating SIV Handbooks.

Board of Directors: Joyce Bulau, Glen Seela, Jeff Devaney and Ivonne Maldonado's terms end at our Annual Meeting in March. Jeff is not returning, and Marianne Bishop has vacated her seat and moved to La Posada. If you are interested in running for the Board, a form to fill out can be found on our website www.sivhoa.org and returned via the SIV Black Box on Vista Ridge Ct or emailed to sivhoa.info@gmail.com. Keep your eye out for Ballots in the near future.

Committee Updates: Judy Zabicki and Lisa Warner have joined Lori Ague on the Internal Review Committee (formally the Audit Committee).

Landscape Committee: We are looking for of a couple homeowners that have a desire to keep our neighbor landscape looking in tip top shape ... could that be you?

A **HUGE** thank you to Marrianne & Barry Bishop for their roles within the HOA! Marianne has been the Secretary and Treasurer for 23 years and Barry has been on the landscape committee. As of Dec. 31 both have gone into full-time retirement. Best Wishes with your new adventure in La Posada!

Terri Brown will be acting Secretary and Treasurer; She is excited to serve our neighborhood, continuing to keep us as one of the best HOA's in Green Valley!!
