

ATTACHMENT 7.8.1

PROCEDURE FOR REQUEST:

I am submitting a request for service to trees or other vegetation located in Area A or Area B. The location of the tree or vegetation and the reason for this request is as follows:

Note: If possible, for easier identification, please provide photographs of the tree(s) or other vegetation. This can be transmitted digitally and sent as an attachment(s) via email to: sivhoa.info@gmail.com.

If a tree is to be removed, please make three sections (numbering your choices as 1, 2 and 3) from the following approved plant list. One of these plants will be scheduled for installation once removal is complete.

APPROVED PLANT LIST

- | | | |
|-------|------------------------------|--------------------------------------|
| _____ | Beargrass | (Nolina macrocarpa) |
